<b>Materials required for examination</b>	<b>Items included with question papers</b>
Ruler graduated in centimetres and millimetres, protractor, compasses, pen, HB pencil, eraser. Tracing paper may be used.	Nil

Instructions to Candidates

In the boxes above, write your centre number, candidate number, your surname, initials and signature.  
Check that you have the correct question paper.  
Answer ALL the questions. Write your answers in the spaces provided in this question paper.  
If you need more space to complete your answer to any question, use additional answer sheets.

Information for Candidates

The marks for individual questions and the parts of questions are shown in round brackets: e.g. (2).  
There are 4 questions in this question paper. The total mark for this section is 15.  
There are 4 pages in this question paper. Any blank pages are indicated.  
**Calculators must not be used.**

Advice to Candidates

Show all stages in any calculations.  
Work steadily through the paper. Do not spend too long on one question.  
If you cannot answer a question, leave it and attempt the next one.  
Return at the end to those you have left out.
